

D-HANDLE

406

Stainless steel handle with Ø8 mm and Ø10 mm

- ✓ Available in many different sizes
- ✓ High quality produced
- ✓ Stainless steel
- ✓ Because of moisture resistance they are perfect for application in the whole house

All of the available handles are produced out of high quality stainless steel. They are rustproof and therefore perfect for installation in: kitchen, bathrooms, conservatories, outdoor areas, as well as indoors.

Every handle is packed individually in a poly bag and is delivered with all necessary screws.
