

SHAPE YOUR OFFICE

The AKUSTIX Shape range includes four shapes in four different colours, combinable to each other to obtain multiple effects.

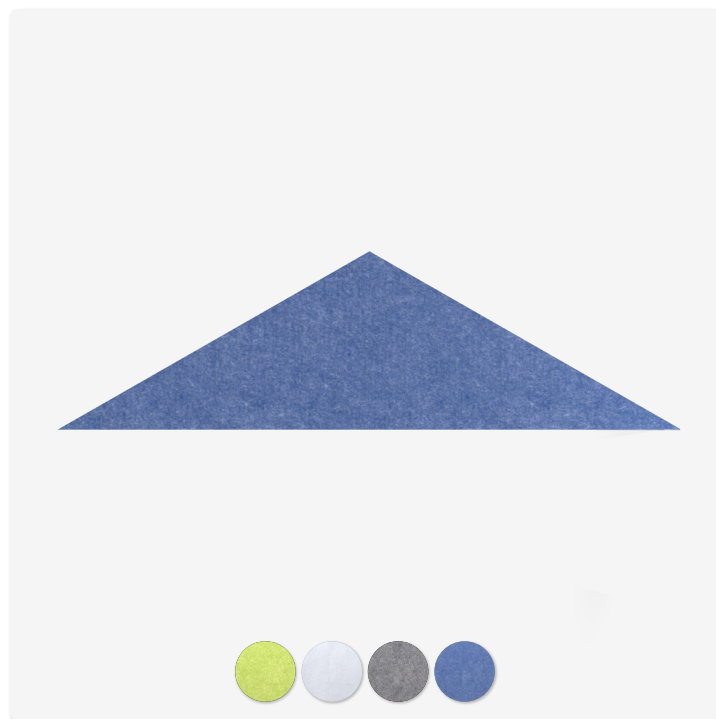

AKUSTIX Shape #11

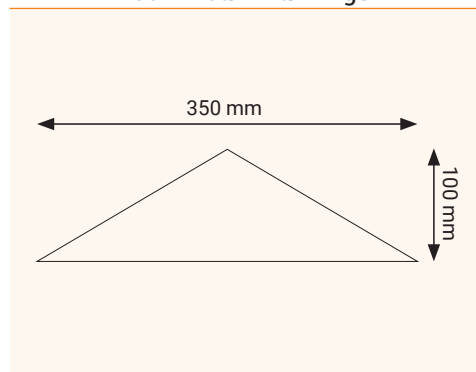

Triangular-shaped design element for optimal acoustic protection

- ✓ PET design panels with high sound absorption capacity
- ✓ Possible combination with other AKUSTIX Shape thanks to the cut dimensions of the panels
- ✓ Perfect to obtain colour accents and good soundproofing

Technical Drawings

Application Examples

Fixing solutions

- Double-sided tape
- Adhesive spray
- Self-adhesive Velcro strips
- Small screws

Article	Description	Height Width Thickness in mm			Colour	Item No.
AKUSTIX Shape #11	PET design element for wall installation, sound absorption level B, 3000g/m²	350	100	18	Light Green	309 128364
					Light Grey	309 128371
					Grey	309 128378
					Blue	309 128385

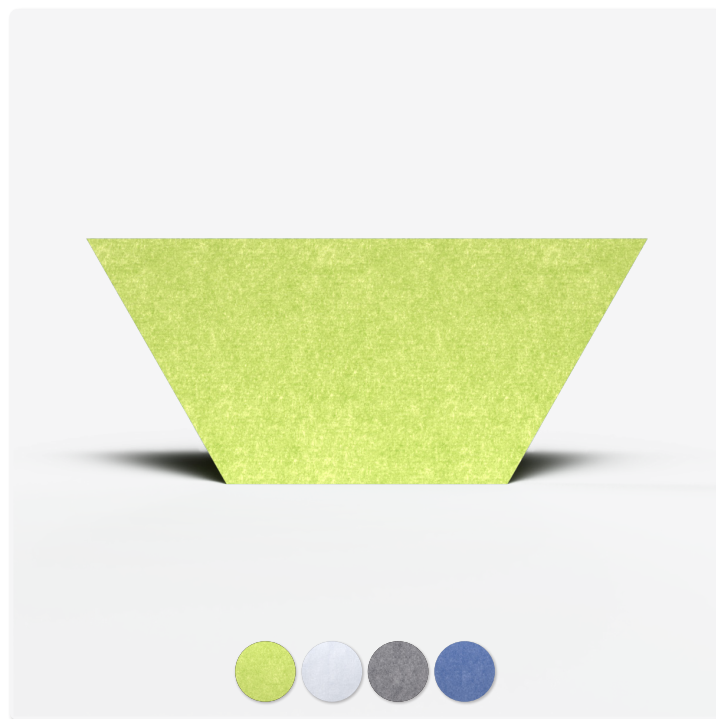

AKUSTIX Shape #12

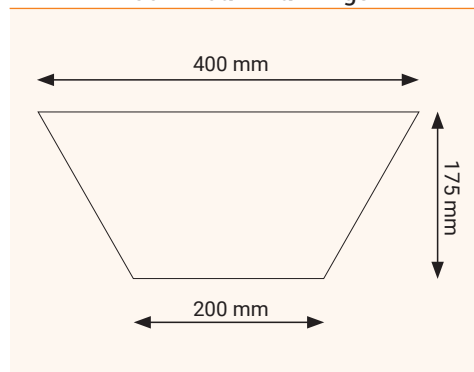

Trapezoidal-shaped design element for optimal acoustic protection

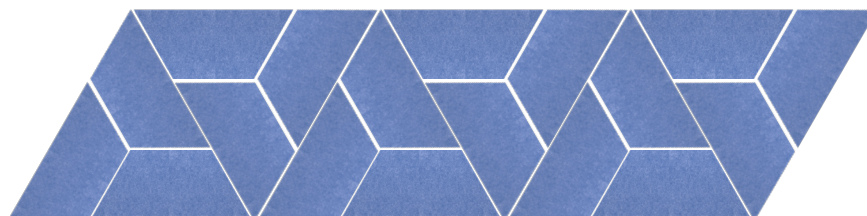

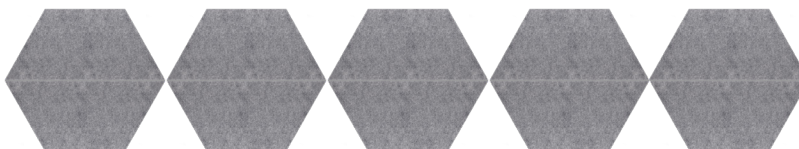

- ✓ PET design panels with high sound absorption capacity
- ✓ Possible combination with other AKUSTIX Shape thanks to the cut dimensions of the panels
- ✓ Perfect to obtain colour accents and good soundproofing
